

We wrapped up May with a mission team from Garrett Memorial Baptist Church in Hope, Arkansas. This team of ten came for a weekend to help us spread the word for three big events we have planned for the Summer. On Sunday, they helped us pass out nearly 650 fliers inviting our community to these events. What is our goal in these events? Ultimately, our goal is that each person at Grace Harbor would meet and share the Gospel with one person at each event. Each of these events are lending themselves completely to

having opportunities to meet and build relationships with neighbors who dwell right around Grace Harbor. In preparation for these events, we have focused in on Acts 17:26-27, which says, "And he made from one man every nation of mankind to live on all the face of the earth, having determined allotted periods and the boundaries of their dwelling place, that they should seek God, and perhaps feel their way toward him and find him. Yet he is actually not far from each one of us..."

The place we live, work, and play is part of God's eternal plan to reach the lost for Christ. So, we are prayerfully considering how to live as more faithful stewards and missionaries in our very own zip code. Join us in praying for these events and for the men, women, and children we will meet through them.

The Garrett Memorial team also blessed us as a church on a personal level by putting on a Parents Night Out for our folks. GMBC set up shop at Grace Harbor and hosted about 10 kids and allowed all of their parents (including me and my wife!) to have a date night. This coming month, we will be hosting a mission team from First Baptist Church of Magnolia, Arkansas as they help us with our first Summer event on June 13. The following day, FBC Magnolia will be singing with their teen choir at the OKC Bombing Memorial. Please email me if you would like more information on when and where they will be singing!
