We are trying to develop plans for the New Year in the following areas:

- Moving from mission status to a church
- Starting an additional apartment bible study ministry
- Beginning a van ministry
- Starting an additional semester of evangelism training in the spring

We are continuing our outreach ministry in Chapel Ridge apartment complex and had a holiday meal for the residents that was well attended. We had around 60 attendees for the meal and it gave us a great opportunity to meet many new people.

We also did some Christmas caroling in a neighborhood that we have been doing some door to door work in. We were well received by many.

Chris and I have been requested to assist an intercity church in some of their evangelism training. Doing door to door work in some neighborhoods is especially challenging and that is where we will be training.
