

Greetings again from Norman, Oklahoma! We have had the privilege of representing Jesus Christ for another month and we have seen some more positive results which include the following:

**Highlights:**

- Chris has returned from his Evangelism Explosion training in Fiji
  - This is an excerpt from Chris's monthly report - As I become more involved in EE, my commitment to New Generation Baptist Church remains strong. Because the mission of EE is commitment to the local church – “to glorify God by equipping believers to multiply in and through local churches worldwide – for friendship, evangelism, discipleship, and healthy growth.” I’m excited to see how God will utilize EE training to continue to equip and nurture the growth of NGBC and other churches throughout the state of Oklahoma so that gospel witnesses and churches will be multiplied until the entire state of Oklahoma is filled with the knowledge of the glory of God!!
  
- We continue to see additional professions of faith.
  
- We continue to work on discipleship.
  
- We have additional EE training scheduled to start on Saturday, October 6<sup>th</sup> at 9:00 a.m. and we should finish by 12:00. If you know of some folks that would be interested in getting trained in personal evangelism just let us know. We still have plenty of openings.

Thank you for your support both financially and prayerfully. You are a part of this ministry! Come and see us when you can. We would love to have you visit us.
