This is from Chris's report –

'Tis the season of Thanksgiving and for all the good gifts that come down to us from the Father - especially the greatest, most perfect gift, eternal life through His Son Jesus!

This past month I had the honor of sharing the good news of God's perfect gift with a man who needed to hear it most.

On Veteran's day, I spoke with a Vietnam veteran named Charles at the VA hospital who, like many other Vietnam veterans, has suffered from the effects of exposure to the poisonous gas, agent orange. His lungs nearly gave out (three times!) leading to cardiac failure - one time requiring CPR with chest compressions for a full six minutes! He even asked the staff for a DNR - (Do not resuscitate) if his heart failed one more time! I went to see him at the VA and I said, "Charles, you've come so close to death, several times! Are you certain you will go to Heaven?" He said, "I'm going to one place or another." I told him, "God wants you to know for sure, and that I could tell him how to know for sure - that Heaven is a gift, it's not earned or deserved! Have you ever heard that before?" He said, "No, I never have!" After I shared the gospel with him, he prayed to receive Christ! And I stand amazed at the love and mercy of God to bring this man back from death, not once or twice, but three times! So that he could hear the gospel and be saved! Hallelujah and praise the LORD for His unspeakable gift!!!

The last I heard, Charles has recovered from his pneumonia and all the fluid on his lungs, gaining enough strength to leave the hospital and be at home with his family for the holidays!!! Let our hearts be filled with gratitude for the abundance of God's love, provision, and grace, especially through His Son Jesus!

"For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

Come and see us when you can. We would love to have you visit us.
